

# ATTENTION

## Abraham Erb P.S.

### *Making Arrival and Dismissal Work for Everyone*

**Attention! No Crossing Guard** at Laurelwood Drive and American Beech Avenue due to ongoing parent / guardian traffic behaviour issues

**Attention! No U-turns** on Laurelwood at American Beech

#### Drive Safely!

If you choose to drive your child to school, please remember to drive slowly and safely in the neighbourhood around the school – not just in front of the school. Children may be difficult to see as they walk or bike to school, and they may not see you.

- ⇒ **NO STOPPING** for any reason within or near the crosswalk
- ⇒ **Know and obey the speed limits and traffic signs (no U-turns) in the area**
- ⇒ **Yield to children walking and biking around the school**

Please refer to the Parking Map (over) that identifies safe and legal street parking locations

#### Walk if you can!

- *Walking is a safe choice*
- *Avoid the chaos*
- *Adults get more "me" time as children grow*
- *Greater focus in class*
- *Cleaner air near the school*

#### Crossing Guard needed!

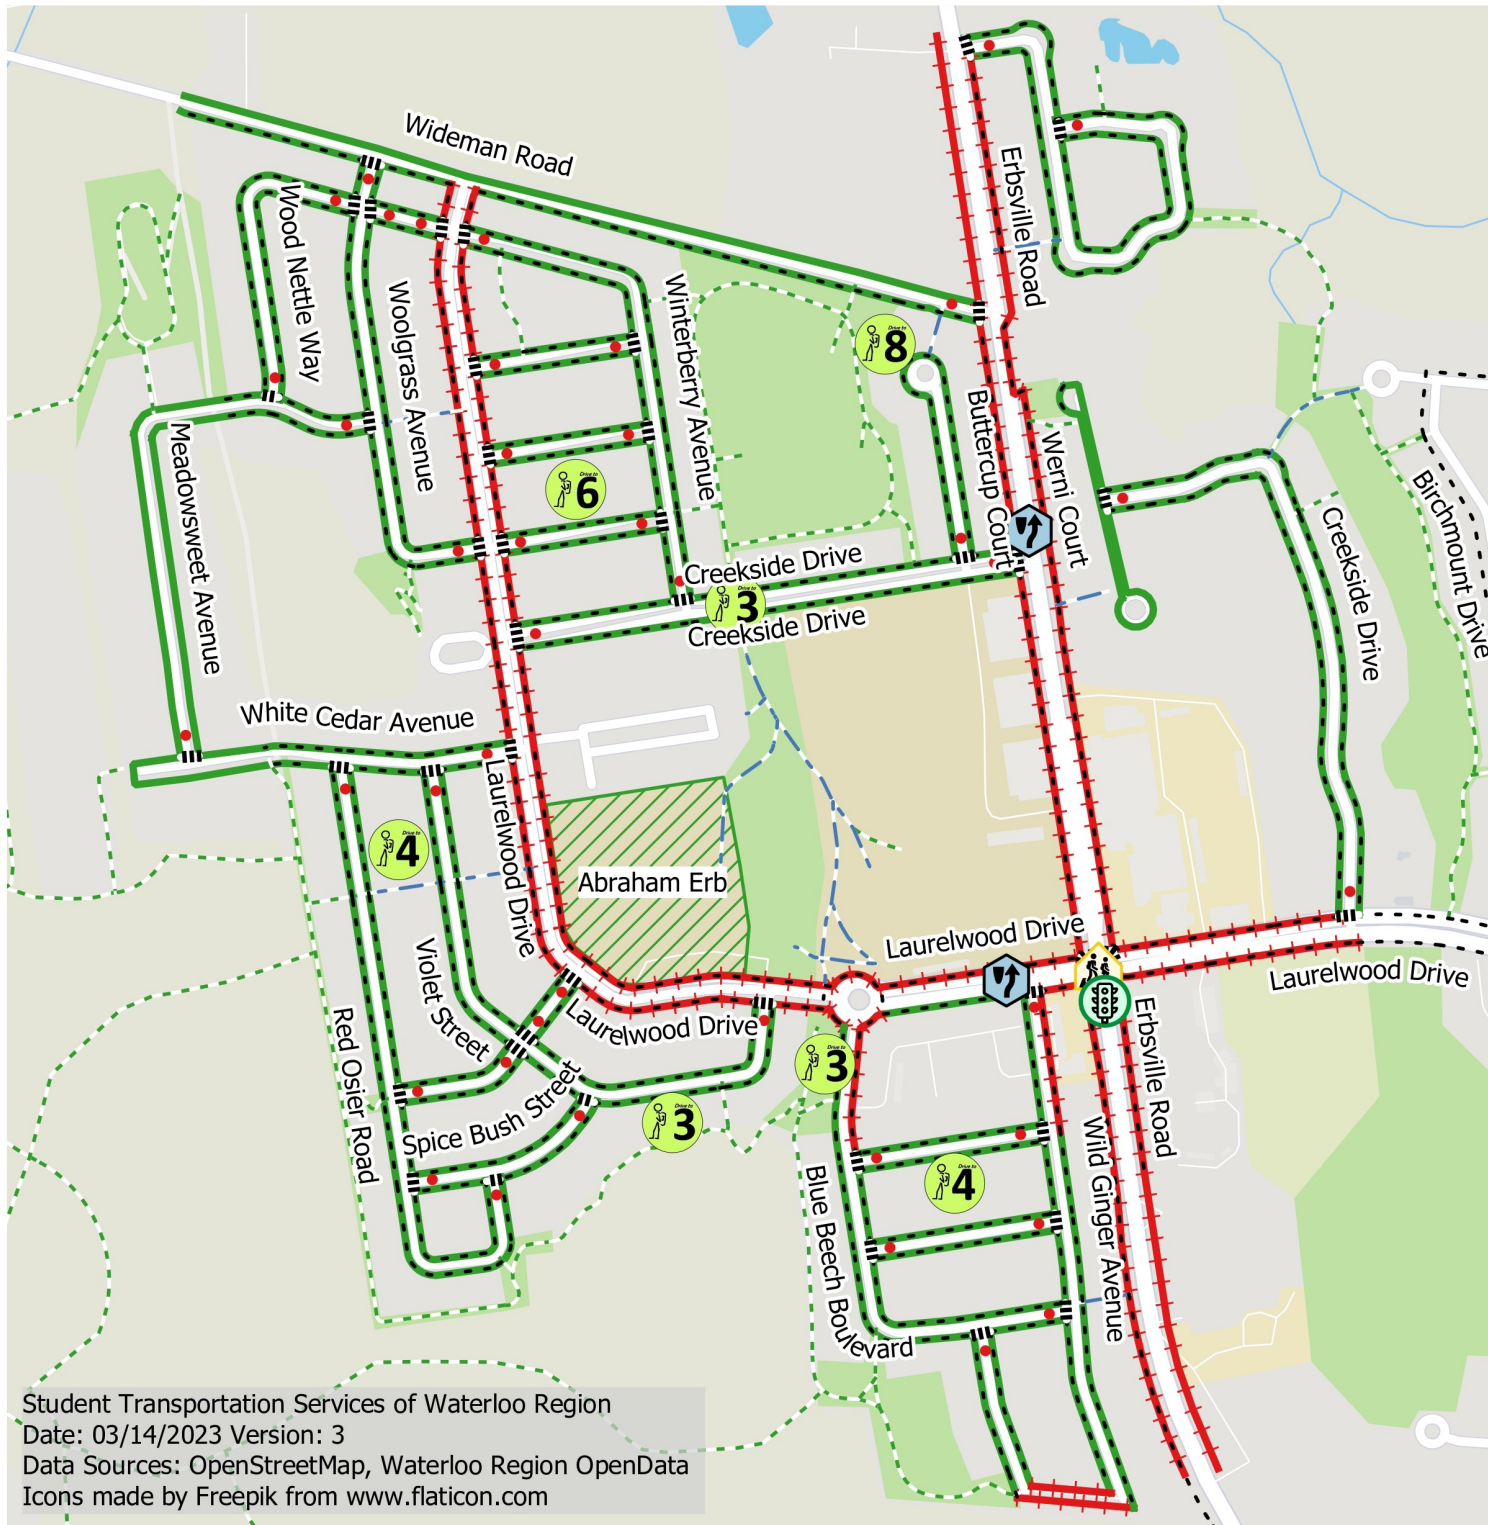

*The city is recruiting for this location. They have added no U-turn signs and are working on other improvements in the coming months.*

*With better driving behaviours from parents, a crossing guard can become an integral part of the school community.*
